- Teaching assistant, course instructor, and examiner at Virtual University of Pakistan

EXPERIENCE

EXAMINER | 05/2025 to Current

Virtual University - Lahore, Pakistan

- Supervised and conducted mid-term examination sessions, ensuring adherence to academic integrity and university protocols.
- Monitored over 120 students per session, maintaining discipline and a smooth examination environment.
- Collaborated with faculty and support staff to organize examination logistics and address student queries effectively.

TEACHING | 04/2022 to Current

Virtual University Campus - Lahore, Pakistan

I taught introduction to computing and programming courses, covering core concepts. Delivered practical training in C and C++, pseudocode development, and presentation skills using MS Word and PowerPoint to enhance technical and communication abilities.

UNIVERSITY FINAL YEAR PROJECTS | 05/2021 to Current

PHP Developer - Lahore, Pakistan

Built and documented final year projects, including e-commerce platforms, educational tools, and a loan portal. Key work includes multi-vendor systems, quiz apps, and Stripe (v2 and v3) payment integration, strengthening my full-stack development skills through practical experience.

ASSOCIATE PHP DEVELOPER | 10/2023 to 11/2024

IT Flicker - Lahore, Pakistan

Constructed multiple PHP projects integrating frontend and backend aspects, including eye doctor appointment interface, blood donation website, event management software, personal task management system, etc.

LARAVEL INTERNSHIP | 03/2023 to 09/2023

Marinda Web & Technologies - Lahore, Pakistan

Developed APIs for mobile application and backend panel for event management product

at Mirinda Web. Served as intern trainer, guiding peers in technical skills and project workflows.

WORDPRESS DEVELOPMENT | 04/2021 to 03/2023

Freelancing

Developed multiple WordPress websites, including business and e-commerce platforms. Executed freelance projects as a WordPress developer on a freelance platform.
